SUMMARY OF FRAMED ART

Kozy Art's framed art selections are done with Handmade Oil Paintings painted on natural canvas.

OUR ART....

Handmade oil paintings are the real thing, giving the consumer the best value for their money. No two pieces will ever be the same, thus creating a unique and original artwork.

Since there are so many styles, themes and images we have gathered all the artwork in CATEGORIES. So when placing an order we will always ship mixed images from the category of choice.

This allows for a variety of images and styles that brings plenty more options to the consumers and to the designers.

OUR FRAMES...

We only use SOLID WOOD frames from sustainable forests, to insure quality, strength and value for the consumer.

Unlike lower end frame materials such as resin frames, PU frames or plastic frames, solid wood frames deliver the looks and feel of a high quality art piece, with beautiful finishes and several types of styles.

Our frames widths range from 3.5" to 7" wide.
